

COMMUNITY RELATIONS

The Noran Clinic has a long-standing tradition of supporting the communities we serve through sponsorships, in-kind donations and volunteerism. This includes supporting organizations aligned with our goals of improving the quality of healthcare, wellness, treatment improvements, and promoting public awareness of neurological diseases. When possible, we combine financial support with the donation of the unique knowledge of our neurologists.

Noran Clinic has provided support to the following local organizations:

- Amyotrophic Lateral Sclerosis (ALS) Association - Minnesota Chapter
- Alzheimer's Association - Minnesota Chapter
- American Diabetes Association - Minnesota Chapter
- American Parkinson's Disease Association - Minnesota Chapter
- Angelman Syndrome Foundation - Minnesota Chapter
